Every year, Beekman 1802 collaborates with a different artist to bring their holiday collection to life.

I'm always proud to say I've worked with them, because I love how they highlight and feature artisans like me

The Special Delivery theme was a perfect fit for my artwork style because it emphasizes that hand-crafted, wonderfully one-of-a-kind touch.

While I crafted this collection, I focused on the feeling of delight: that little gasp of joy when receiving a perfect, thoughtful, hand-crafted gift.

Special Delivery is about togetherness and making memories. It feels instantly nostalgic like a favorite story-book. It's about sparking joy through gift-giving.
